

## Inside Norfolk

We want you to take us inside Norfolk by taking one photograph of the inside of any room where you spend time in the county - along with 100 words to describe it.

We are looking for photos that capture the inside of places such as your home, school, office, village hall, leisure venue etc so that future generations can see how we lived. In the 100-word description we would like you to tell us about the room, what is in it, what it's used for, as well as your thoughts and feelings about it.

Your photos and stories will be displayed in an exhibition at The Forum in Norwich later in the year, and could be placed on the Norfolk Heritage Centre's Picture Norfolk website to become a permanent part of the County's history.

**Please complete both sides of this application form and send it with your photo to:
